Most services can be found on the Thanksgiving Church (Bellevue) Facebook page. On Facebook, search for “Thanksgiving Church Bellevue” and click on the result shown below.

Roku

If you own a Roku streaming device you can download the free BoxCast app and search for the event within the app. On your Roku device, press the home button on the remote. Find and click on “Add Channel”. Click “Search for Channel” and search for “Boxcast”. Click on Boxcast to install it on your Roku device. Once the Boxcast channel is added, click on it. Search for “Thanksgiving Church” and click on the Thanksgiving icon to view services.

AppleTV

If you own a 4 generation AppleTV you can download the free BoxCast app and search for “Thanksgiving Church” within the app.

Fire TV

If you own a Fire Stick from Amazon, you will want to download the free BoxCast app and search for “Thanksgiving Church” within the app. Boxcast can be found in the “Social Media” category. Once “Thanksgiving Church” is open, set as a favorite and it will be placed on your “home” page.

TV

We cannot guarantee that a stream will work on any given Smart TV. Many are simply incapable of playing video from any but a few specified websites. It is always a better idea to connect your computer via HDMI to your TV to view the broadcast OR you can connect via Chromecast or Apple Airplay. The quality of the video in this instance will be dependent on your device and wifi connection.
